

Stealth Power Tilt Installation Policy

Dear Stealth Customer

Thank you for your order of a power tilt system for one of the following chairs.

Invacare Compass • Invacare Solara • Invacare Jr. Solara • Sunrise Quickie IRIS • Sunrise Quickie TS • Sunrise Quickie Zippie • PDG Stellar • Power Tiger

Please note that all chairs (except the Tiger) must be shipped to Stealth for installation.

Please note the below list of items that can delay or prevent the installation of the power tilt system on your chair. If your chair has any of these situations that were not discussed when the order was placed; please contact us.

- Vent tray
- Attendant foot brake
- Anything custom that has been done to the chair
- Leg Rest Brackets
- Drop Seat
- Recline in addition to tilt
- EZ Lock

Any hardware that might obstruct the installation of the tilt system will be removed and returned with the chair.

Please review and sign this acknowledgement and fax it back to Stealth Products at 800-806-1225. We **must** have the PO number for the wheelchair order. We will not be able to process your order until we have this information.

As of February 24, 2014, no wheelchair accessory parts, backs or cushions can be shipped to Stealth Products, Inc. separately. This is not part of Stealth's tilt installation process.

Please note: Stealth Products will not be held liable for the loss of any of the parts mentioned above.

We appreciate your business

Sincerely;
Stealth Products
