

1W □ One size fits most.

Notice: Before use, it is important that you check the Push and Transfer Gloves for any damages.

Push and Transfer Gloves

Push & Transfer Gloves have an open finger, half thumb, wrap-around design for easy don and doff. Made of leather with padded palms and wrists, the gloves save wear and tear on users' hands throughout a long day of active chair use. Three inches of Velcro closure provide a secure fit as well as allows the gloves to fit most hand sizes.

A. Dual Velcro®

3in (7.62cm) of dual Velcro closure for a secure fit.

B. Padded Palm

C. Open Finger

Half thumb design enables independent donning and doffing by persons with limited hand functions.

D. Grip Options

All leather or Rubber grip. Enhances grip for transfer, push and braking.
