**Additional Parts**

- 2GTR Track Nut: LTHW503
- Planar Mount w/ Track: LTHW515
- All Season Bracket: LTHW504
- Planar Mount: LTHW505
- Full Surface Contact Pad Mount: LTHW514
- Standard Pad Mount: LHW-137
**Individual Parts**

- **TWBL Link Assembly** — LHW-129
  Extra links can be added to the TWB Adductors to achieve and offset configuration and to accommodate for seat cushion thickness.

- **TWBL Swink Assembly** — LHW-129
  This specially designed link adds a second swing away point.

- **Left Side Swing Away Assembly**
  LHW-130

- **Right Side Swing Away Assembly**
  LHW-131

**Pad Mounts**

- Link style adjustable pad mounts are available in standard and a full surface contact feature

- **Standard Lateral Pad Mount** — LHW-137

- **Full Surface Contact Pad Mount** — LTHW511

**Retrofitted Swing Away Brackets**

- **Motion Concepts** — TWBL-MC-L, TWBL-MC-R

- **Permobil Corpus** — TWBL-PCS-L, TWBL-PCS-R

**Example Configuration**

**TWBL**

This example configuration is shown with one extra link, and All Season bracket mounted to a track and a full surface contact pad mount.

**Swing Away Action**

Adductors can be swung away 180 degrees for transferring client from chair.

**Retrofitted Mounting Hardware**

A variety of mounting hardware has been retrofitted to other manufacturer’s chairs

- **Tru Comfort Back Mount** — LTHW508
  Can be used with the Quantum Tru-Comfort Back

- **8” Tapered Tru Comfort Track Only** — LTHW516

- **Formula Contour Bracket** — LTHW507
  Can be used with the Invacare Formula Seating

- **Pride Synergy Cane Clamp** — LTHW506
  Can be used with the Pride Synergy Seating

- **Permobil Corpus Tracks**
  **Left Side** — LTHW518
  **Right Side** — LTHW520
  Can be used with the Permobil Corpus Seating

**Mounting Hardware**

- **Tracks**
  - 2” Track — SBHD-234
  - 3” Track — SBHD-235
  - 6” Track — SBHD-233
  - 7” Track — SBHD-231
  - 8” Track — SBHD-236
  - 10” Track — SBHD-140
  - 12” Track” — SBHD-232
  - 14” Track — SBHD-237
  - 16” Track — SBHD-238
  - 18” Track — SBHD-239

- **Cane Mount Clamps**
  - 1” — LTHW500
  - 3/4” — LTHW501
  - 7/8” — LTHW502

- **Anti Rotation Nuts** — LHW-145
  Used for mounting hardware or pad mounting to prevent rotation in the slots.

- **2GTR Nut** — LTHW503
  Can be used with the Invacare TDX system and Motion Concepts Backs

- **Planar Mount w/ 7” Track** — LTHW515

- **All Season Bracket** — LTHW504
  Width adjustable planar mount for flat backs, for curved backs use part number — LTHW509

- **Planar Mount** — LTHW505
  Standard for mounting to flat backs, for curved backs use part number — LTHW510
