

TFB

J&L Hardware

The True Forming Back, or TFB, has been created to provide extreme comfort, unparalleled customization options and trouble-free adjustability. The hardware is durable, easily accessible, and is hidden with a hook-and-loop attached back for a clean, sleek look.

Item	ID	Part Number	Description	Qty.
A. Mount 	A1	TFB200-52	Niño T-Nut	1
	A2	SSS200-124	Slotted Seven Hole Adjustable L-bracket 90°	1
	A3	10 SSW	#10 Stainless Steel Washer	2
	A4	10-32 x 1/2" BHS	10-32 x 1/2" Button Head Screw	2
B. Latch Assembly 	B1	SSS200-07	1" 2 Hole J-Hook	1
	B2	1/4-20 x 5/8 BHS	1/4-20 x 5/8 Button Head Screw	2
	B3	1/4-20 LNN	1/4-20 Low Profile Lock Nut w/Nylon	2
C. Back-Post Clamp 	C1	1/4-20 x 1 1/4 BHS	1/4-20 x 1 1/4" Button Head Screw	1
	C2	1/4-20 SAE FW	1/4-20 Washer	1
	C3	SSS200-36	1" Hold Down Drop Stop Weldment	1
	C4	67582247	5/16" 410 Internal Tooth-Lock washer	1
	C5	1/4-20 x 7/16 RBW	1/4-20 x 7/16" Round Base Weldnut	1

Installation and Use

The J&L hardware includes features such as angle, width, and depth adjustments.

Angle Adjustment

Step One:

Loosen the 1x4-20 x 5/8" (B2) Button Head Screws on the Latch Assembly (B).

Step Two:

Position the Back-Post Clamp (C) to the required angle.

Step Four:

Repeat for other mounting hardware as needed.

Step Three:

Secure the Back-Post Clamp (C) in place by tightening the screws (B2).

Width Adjustment

Step One:

Loosen the 10/32 x 1/2" Button Head Screws (A4) on the Mount (A).

Step Two:

Position the Mount (A) to the required width.

Step Three:

Secure the Mount (A) in place by tightening the screws (A4).

Depth Adjustment

Step One:

Loosen and remove the 1/4-20 x 5/8" Button Head Screws (B2) on the Latch Assembly (B).

Step Two:
Position the Back-Post Clamp (C) to the required depth.

Step Three:

Secure the Back-Post Clamp (C) in place by tightening the screws (B2).

Mounting Hardware to the Back

Step One: Take one of the T-Nuts (A1) and place it in the slot on the front side (user side) of the aluminum shell.

STEP 1

Step Two: Line up the L-Bracket (A2) with the T-Nut (A1) and ensure it is in the appropriate horizontal and vertical position. Secure it with two 10-32 x 1/2" button head screws (A4) and two 1/4" washers (A3).

STEP 2

Clamp Assembly to Wheelchair Back Post

Step One: Visually determine the desired height of the TFB. Mark on each back post the needed location to attach the clamp assemblies.

Step Two: Slide the post into the correct vertical position with the J&L Latch Assembly (B).

Step Three: Slide the 1" Hold Down Drop Stop Weldment (C3) on top of the Latch Assembly (B).

STEP 3

STEP 1

Step Four: Slide the 1/4-20 x 1 1/4" Button Head Screw (C1) with a 1/4-20 Washer (C2) on one side of the Hold Down Drop Stop (C3) with the 5/16" Internal Tooth-Lock Washer (C4) and 1/4-20 x 7/16" Weldnut (C5) on the opposing side. Assemble Drop Stop, but do not tighten yet.

STEP 4

Step Five: To achieve proper alignment, slightly move the mounting hardware in all directions, and adjust until the backrest smoothly attaches and detaches from the top and bottom receiving posts. When final adjustments have been completed, tighten all screws to ensure secure placement and safe operation.

Important

These products are designed to be fitted, applied, and installed exclusively by a health care professional trained for these purposes. The fitting, application and installation by a non-qualified individual could result in serious injury. **Stealth Products, LLC** accepts no liability for personal injury or damage that may arise from the failure of the user or other persons to follow the recommendations, warnings, and instructions in this manual. **Stealth Products** does not hold responsibility for final integration of final assembly of product to end user. **Stealth Products** is not liable for user death or injury. Initial setup and driving should be done in an open area free of obstacles until the user is fully capable of driving safely.

Before you begin using this product, it is important that you read and understand the content of these installation and operating instructions. Product misuse due to failure to adhere to instructions and warnings in this document will void your warranty and may result in property damage, injury or death. Always keep the operating instructions in a safe place so they may be referenced as necessary. If this document contains information you do not understand or if there are concerns about safety or operation, contact your provider.

All information, pictures, illustrations and specifications are based on the product information available at the time of printing, and are representative examples. They are not intended to be exact descriptions of the various parts of the product. Instructions are written with the expressed intent of use with standard configurations. They also contain important safety and maintenance information. For assistance with advanced configurations or options, contact your provider or **Stealth Products** at (512) 715-9995 or toll free at (800) 965-9229.

Immediately discontinue use if any function is compromised, if parts are missing or loose or if any component shows signs of excessive wear. Consult with your provider for repair, adjustment or replacement. You can download additional copies of this manual by visiting <https://stlpro.site/stealth-docs/> and searching for "P136D548" in the document manager.

Warranty

Our products are designed, manufactured, and produced to the highest of standards. If any defect in material or workmanship is found, **Stealth Products** will repair or replace the product at our discretion. Any implied warranty, including the implied warranties of merchantability and fitness for a particular purpose, shall not extend beyond the duration of this warranty. **Stealth Products, LLC** does not warrant damage due to, but not limited to, misuse, abuse, or misapplication of products and modification of product without written approval from **Stealth Products, LLC**. Any alteration or lack of serial number, where applicable, will automatically void this warranty. **Stealth Products, LLC** is liable for replacement parts only, and is not liable for any incurred labor costs. No person is authorized to alter, extend, or waive the warranties of **Stealth Products, LLC**.
