Warning Labels

2.1

Warnings are included for the safety of the user, client, operator and property. Please read and understand what the signal words **SAFETY**, **NOTICE**, **CAUTION**, **WARNING** and **DANGER** mean, how they could affect the user, those around the user, and property.

 DANGER	Identifies an imminent situation which (if not avoided) will result in severe injury, death, and property damage .
 WARNING	Identifies a potential situation which (if not avoided) will result in severe injury, death, and property damage .
 CAUTION	Identifies a potential situation which (if not avoided) will result in minor to moderate injury, and property damage .
NOTICE	Identifies important information not related to injury, but possible property damage .
SAFETY	Indicates steps or instructions for safe practices, reminders of safe procedures, or important safety equipment that may be necessary.

Limited Liability

2.2

Stealth Products, LLC accepts no liability for personal injury or damage to property that may arise from the failure of the user or other persons to follow the recommendations, warnings, and instructions in this manual.

Stealth Products does not hold responsibility of final integration of final assembly of product to end user. Stealth Products is not liable for user death or injury.

Testing

2.3

Initial setup and driving should be done in an open area free of obstacles until the user is fully capable of driving safely.

The hardware should always be tested without any person sitting in the wheelchair, and until every alteration of the physical installation or adjustment of the joystick is complete.

Mounting Hardware Parts

4.1

Tools Required (Not included)

4.2

A	GAT461M Block	
B	Multi Joystick ¹	
C	GAT400 Series ¹	C1 Arm
1	M5 x 0.8 x 25mm	C2 Bar Plug
2	5/32 Allen (Hex Key)	
3	4mm Allen (Hex Key)	
1. Not included		

⚠ CAUTION

DO NOT OVER TIGHTEN SCREWS. This could cause wearing of screws or joystick threads, causing the client to lose efficient control.

Installing Joystick**5.1**

Step 1. Remove bar plug (C2) from Gatlin arm (C1). Loosen clamping screw (1). Slide block (A) into the arm (C1).

Step 2. Adjust horizontal position where desired. Replace bar plug (C2). Hold 25mm screw (1) and position Multi Joystick (B) in place.

Step 3. Tighten the screw (1) with 4mm Allen Wrench (Hex Key), but do not over tighten. Mount clamp (A) and tighten to Multi Joystick (B).

Angle Adjustment

5.2

A close-up diagram of the adjustment mechanism. A screw labeled (1) is shown being loosened. A block labeled (A) is positioned on the arm. A circular inset shows the screw being rotated.

A diagram showing the arm being rotated 360 degrees, indicated by a large curved arrow. The block (A) is shown in its new position. A circular inset shows the screw being tightened.

Step 1: Loosen screw (1).

Step 2: Rotate block (A) in a 360° range to the desired angle. Tighten screw (1) again.

Horizontal Alignment

5.3

A diagram showing the arm with a clamp screw labeled (1) being loosened. A block labeled (A) is shown on the arm. A circular inset shows the screw being rotated.

A diagram showing the arm with a double-headed arrow indicating the direction of movement. A block labeled (A) is shown being moved along the arm towards a point labeled (C1). A circular inset shows the block being moved.

A diagram showing the arm with a double-headed arrow indicating the direction of movement. A block labeled (A) is shown being moved along the arm towards a point labeled (C1). A circular inset shows the block being moved.

Step 1: Loosen clamp screw (1).

Step 2: Slide block (A) towards the desired direction on the arm (C1).

Step 3: Tighten screw (1) again.

SAFETY

For joystick maintenance guidelines refer to the device's user manual.

Maintenance**6.1**

- Check every 6 months that screws are tight. Gently tighten any screws that may have become loose.
- Maintain that the hardware is clean and free of dust.

Cleaning**6.2**

- Wash away surface dirt and grime with a mild dish detergent and rinse away.
- Moisten a soft cloth with water to rub away any remaining dirt.
- Rinse thoroughly with clean water.

Disinfecting**6.3**

- Use a damp cloth with any disinfectant detergent and lightly rub hardware surface.
- Rinse thoroughly with clean water.

Our products are designed, manufactured, and produced to the highest of standards. If any defect in material or workmanship is found, Stealth Products will repair or replace the product at our discretion. Any implied warranty, including the implied warranties of merchantability and fitness for a particular purpose, shall not extend beyond the duration of this warranty. Stealth Products, LLC does not warrant damage due to, but not limited to:

- Misuse, abuse, or misapplication of products.
- Modification of product without written approval from Stealth Products, LLC.
- Any alteration or lack of serial number, where applicable, will automatically void this warranty.
- Stealth Products, LLC is liable for replacement parts only.
- Stealth Products, LLC is not liable for any incurred labor costs.

No person is authorized to alter, extend, or waive the warranties of Stealth Products, LLC.

Stealth Products warrants against failure due to defective materials or workmanship:

Covers: 2 years

Hardware: 5 years

Electronics: 3 years

In Case of Product Failure

7.1

In the event of product failure covered by our warranty, please follow the procedures outlined below:

1. Call Stealth at +1 (512) 715-9995 or toll free +1-800-965-9229.
2. Request the Returns Department or obtain an RA from the Returns Department and follow department or documentation instructions.

This image shows a full page of blank handwriting practice paper. It features approximately 20 evenly spaced, horizontal blue lines across the entire width of the page. The lines are thin and consistent in color and thickness, providing a guide for letter height and placement. There are no margins, text, or other markings on the paper.

This image shows a full page of blank white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page, providing a template for writing or drawing. There are no margins, text, or other markings on the paper.
